The Bovine Giveaway

Veterinarians are encouraged to put their business cards in a gallon milk jug at each company's exhibit. Five (5) of these jugs are selected for a business card drawing: one card from each jug. Each winner receives a \$100.00 check from AABP. Not only does this drawing increase booth exposure, but the cards also provide the exhibitor with veterinarians' names and addresses.

Attention Please: *The Bovine Practitioner* will **NOT** be published this year because of the need to have *The Proceedings* available at the Congress.
