

Software Lecture Presentations

Jim Ehrlich, DVM
Dairy Veterinarians Group
RD 1, Coot Hill Rd,
Argyle, NY 12809

This was an informal forum for presentation of computer software related to bovine practice. There were 20 demonstrations given, lasting 30 minutes each, including audience participation. The name of each program demonstrated is listed below followed by the name and address of a contact person for that program. Where a program was demonstrated by someone other than the designated contact person, the demonstrator's name appears in parenthesis.
