

# XIX World Buiatrics Congress

Edinburgh, Scotland, U.K.

July 8-12, 1996

*BCVA delegation at the AABP Annual Meeting in San Antonio. Mary Coombs, Bob Moore, Chris Watson, Barbara Moore, Jenny Whitaker, Colin Whitaker and David Bee.*

The British Cattle Veterinary Association will host the XIX World Buiatrics Congress at the Edinburgh International Conference Center (EICe) Edinburgh, Scotland, U.K. on July 8-12, 1996.

The main core of the Congress will be 3 simultaneous lecture sessions with translation services in English, French, German and Spanish. Poster displays, with authors present, will be available throughout the Congress and a series of video programs will be running continuously.

The Congress Banquet will be held on Thursday evening, July 11 at the Royal Highland Showground with a full program of Scottish hospitality, food, drink and Tartan entertainment.

The General Meeting of the World Association for Buiatrics will be held on Friday morning, July 12, with the Closing Ceremony at 12:00 noon.

There will be several seminars and workshops, beginning Saturday, July 6, held at the Bush Estate, the Royal (Dick) School of Veterinary Studies, the Moredun Foundation and farms of the Scottish Agricultural College.

**The Congress will also feature visits to Langhill Dairy Farm, Crichton Royal Farm, Roslin Institute, Moredun Foundation, Newlands Cattle Breeding Centre, Perth, Vallum and Bays Leap Farms, Northumberland (Commercial embryo transfer unit) and the Centre for Tropical Veterinary Medicine.**

**The Tour program will include Scenic Perthshire, Stirling Castle, Edinburgh Crystal and Glekinchie Distillery, Loch Lomond and The Trossachs and Several Freedom of the City Tours.**
