AGTECH, INC.

Pharmaceuticals, Lab Equipment & Supplies for Embryo Transfer

AGTECH, Inc. serves the embryo transfer technician/practitioner with a complete inventory of required pharmaceutical and embryo collection — freezing — transferring products. We carry items manufactured by leading names in the industry such as Schering, UpJohn, Bard, IMV, HOXAN, Freeze Control, Bausch & Lomb, and A/O Reichert. At AGTECH, we literally wrote-the-book* on embryo transfer procedure and use the products featured in our catalog on a routine basis.

The knowledgeable staff at AGTECH has hands-on experience with its inventory and is happy to discuss product use and application when taking your order. Strict production-dating observance on biologicals from FDA approved laboratories combined with volume purchasing assures customers of highest product quality at competitive prices. Our large inventory allows complete, same-day shipping on most orders.

When you need to superovulate donor cattle, synchronize recipients, collect embryos, or schedule on-farm ET training, remember that AGTECH is the "one-stop" source for all of your embryo transfer needs!
