## protects their investment!

Your clients know how to protect their investment from getting lost when they stray from the herd. They count on you to protect them from the hidden dangers of internal parasites. And for that, you know only one brand will do – Panacur<sup>®</sup> (fenbendazole).

Panacur is more effective than levamisole at eliminating all nine major gastrointestinal nematodes including lungworms and hookworms in cattle. Panacur provides economical low dosing at less than half the cost of

ivermectin, in three convenient forms: suspension, paste syringe and paste cartridge. And Panacur has no known contraindications.

Increased effectiveness means better performance and bigger profits, enabling your clients to deliver calves up to 32 lbs. heavier at weaning!

Protect your client's investment from internal parasites with Panacur<sup>®</sup> (fenbendazole)... the brand you can count on.

THE BOVINE PRACTITIONER is published by the American Association of Bovine Practitioners, Inc., at **Frontier Printers, 205 W. 9th, Stillwater OK 74074 (phone 405-372-8500)**. Over 7000 copies are mailed to veterinarians engaged in cattle practice and allied institutions. Send new address (please include old address) to:

**Dr. Harold Amstutz, Exec. Sec.-Treas., AABP, Box 2319, W. Lafayette, Indiana 47906.**

**Editorial Board**

At the Annual General Meeting on Dec. 10, 1976, AABP members approved the appointment of an editorial board for this journal. Members of the board are Dr. Leland Allenstein, Dr. Harold E. Amstutz, and the editor, Dr. Eric I. Williams. The journal is thus an official, refereed publication.

By agreement between the Board of Directors, American Association of Bovine Practitioners and the World Association of Buiatrics, this journal will serve as a communication medium between Bovine Practitioner Associations across the world. Papers related to bovine practice will be accepted from overseas correspondents. Notices and brief reports of national conventions on cattle diseases will be accepted for publication. All communications must be presented in English and sent to the editor **BEFORE JULY 15.**

Copies of the Bovine Practitioner are available to non-members for \$20.00 per copy, surface mail or \$25.00 airmail (overseas).
