No. 14

November, 1979

By agreement between the Board of Directors, American Association of Bovine Practitioners and the World Association of Buiatrics, this journal will serve as a communication medium between Bovine Practitioner Associations across the world. A limited number of papers related to bovine practice will be accepted from overseas correspondents. Notices and brief reports of national conventions on cattle diseases will be accepted for publication. All communications must be presented in English and sent to the editor *before July 15.*

Copies of The Bovine Practitioner are available to non-members for \$7.50 per copy surface mail and \$10.00 per copy air mail. Veterinary students half price.

The Bovine Practitioner is published by the American Association of Bovine Practitioners, at Frontier Printers, Stillwater, Okla. 74074. Over 6500 copies are mailed to veterans engaged in cattle practice and allied institutions. Send new address (please include old address) to:
